Results-driven Project Manager with expertise in project execution, team leadership, marketing automation, and quality assurance within the online gaming and technology industries. Skilled in managing cross-functional teams, platform integrations, data migration, and CRM-driven marketing strategies. Passionate about process optimization, seamless project delivery, and data-driven decision-making. Web development and data science enthusiast.

Skills

- Project management
- Website Quality Assurance
- Team Leadership
- Marketing & CRM
- Sportsbook and Casino Product Knowledge

WORK EXPERIENCE

EVERLOUNGE INC | Makati City, Philippines

Project Manager | PM & QA Team Manager | May 2020 - Jan 2025

- Led implementation and testing of new features, improvements, and third-party integrations for brand websites and back-office tools.
- Managed marketing automation projects (acquisition, retention, reactivation) with Business Intelligence and API dev teams.
- Oversaw data migration between platform providers.
- Supervised project leads and QA analysts, delegating tasks and conducting performance evaluations.
- Ensured quality assurance for website and back-office features, overseeing test documentation and bug validation.
- Ad hoc tasks: Onboarded teams on back office tools, managed domain licenses, monitored PM tools (Monday.com), and served as POC for platform providers.

Project Management Lead (PM & QA Team) | Feb 2020 – May 2020

- Assisted in coordinating tasks and deliverables across teams.
- Managed expansion projects, including new brand and market launches.

Marketing Coordinator (Marketing Team) | Dec 2018 – Feb 2020

- Worked with country/brand managers to execute campaigns and promotions.
- Configured bonus programs and prepared campaign assets.
- Coordinated with third-party CRM providers (Wiraya, IWinBack) and RWB platform managers.

BAYVIEW TECHNOLOGIES INC | Makati City, Philippines

English VIP Support (Dafabet) | Oct 2011 – Aug 2018

- Managed VIP player accounts (Sportsbook, Casino, Poker) for retention and reactivation.
- Developed team procedures and workflows for VIP profiling and account handling.
- Acted as Officer in Charge, overseeing shifts, escalations, and onboarding new VIP handlers.
- Trained in Coaching Excellence and Problem-Solving & Decision-Making.
- Contributor for DafaeSports.com (CS:GO IEM Katowice Season 11 Preview).

PREVIOUS EXPERIENCE (Before 2011)

Various roles in game community management, customer engagement, and technical support. (Details available upon request.)

- **Game Master (Community Manager)** – ModelWorks Phils Inc. (2010 – 2011)
